

Business Protector

Workplace Health & Safety Solutions

For Legislative and Insurance Requirements

CUTTING THE COST OF BUSINESS RED TAPE!

Avoid Industrial Injury Claims!!!

This essential cost effective safety tool for all Businesses and Users of Personal Computers also includes our pioneering and unique Workstation Welfare (RSI) training & monitoring programme. Software includes a free P.C. diary and screensaver.

In the U.K. 56% of workplace sickness is due to Upper Limb Disorders/Repetitive Strain injury, litigation claims are increasing throughout the world.

Forget inferior, hugely expensive and complicated management software... We can provide you with a simple pioneering "One Stop CD-ROM solution" that assists you in protecting your staff, and saves you an enormous amount of money.

Avoid fines, comply with legislation and insurance requirements at the press of a button, what's more within our CD-ROM you get:

Helping people function Safely and within legislation
