Workstation Welfare Solutions

For Legislative and Insurance Requirements

CUTTING THE COST OF BUSINESS RED TAPE!

An Essential Safety Tool For All Businesses & Private Users of Personal Computers

Our pioneering and unique Workstation Welfare (RSI) training and automatic monitoring programme assists businesses to meet legislative and insurance requirements. Software includes a free P.C. diary and Screensaver.

Personal computers in the office are growing enormously, unfortunately so are the cases of Upper Limb Disorders. In the U.K. 56% of workplace sickness is due to Upper Limb Disorders/Repetitive Strain injury, litigation claims are increasing enormously.

All Businesses can now afford our Workstation Welfare software. Forget inferior, hugely expensive and complicated software... We can provide you with a simple "One Stop CD-ROM solution" that assists you in protecting your staff, avoid fines and litigation claims and saves you an enormous amount of money at the press of a button, what's more within our CD-ROM you get:

Helping people function Safely and within legislation
